Dear Mr. Hyde:

Enclosed is the Washington Department of Fish and Wildlife's (WDFW) Final Determination of Nonsignificance regarding your application to plant triploid grass carp into the #6, #9 and #12 Ponds, with no public access, for the control of aquatic vegetation, along with any comments which were received on your proposal during the 14 day comment period.

Based on a review of your environmental checklist and any comments submitted from other agencies, WDFW has concluded that no significant environmental impacts are likely to result from your proposal. Therefore, your proposal has met the requirements of the State Environmental Policy Act (SEPA) and your application for fish planting permits can now be processed. Please contact your regional WDFW office for further details.

Sincerely,

A handwritten signature in black ink, appearing to read "Cynthia R. Pratt".
